熊與豹的傳說

太古時候，熊和豹的毛都是白色的。

我們何不替對方畫上色彩？

熊一處一處，細心畫出美麗的斑紋。

輪到豹時，牠卻很快失去耐心。

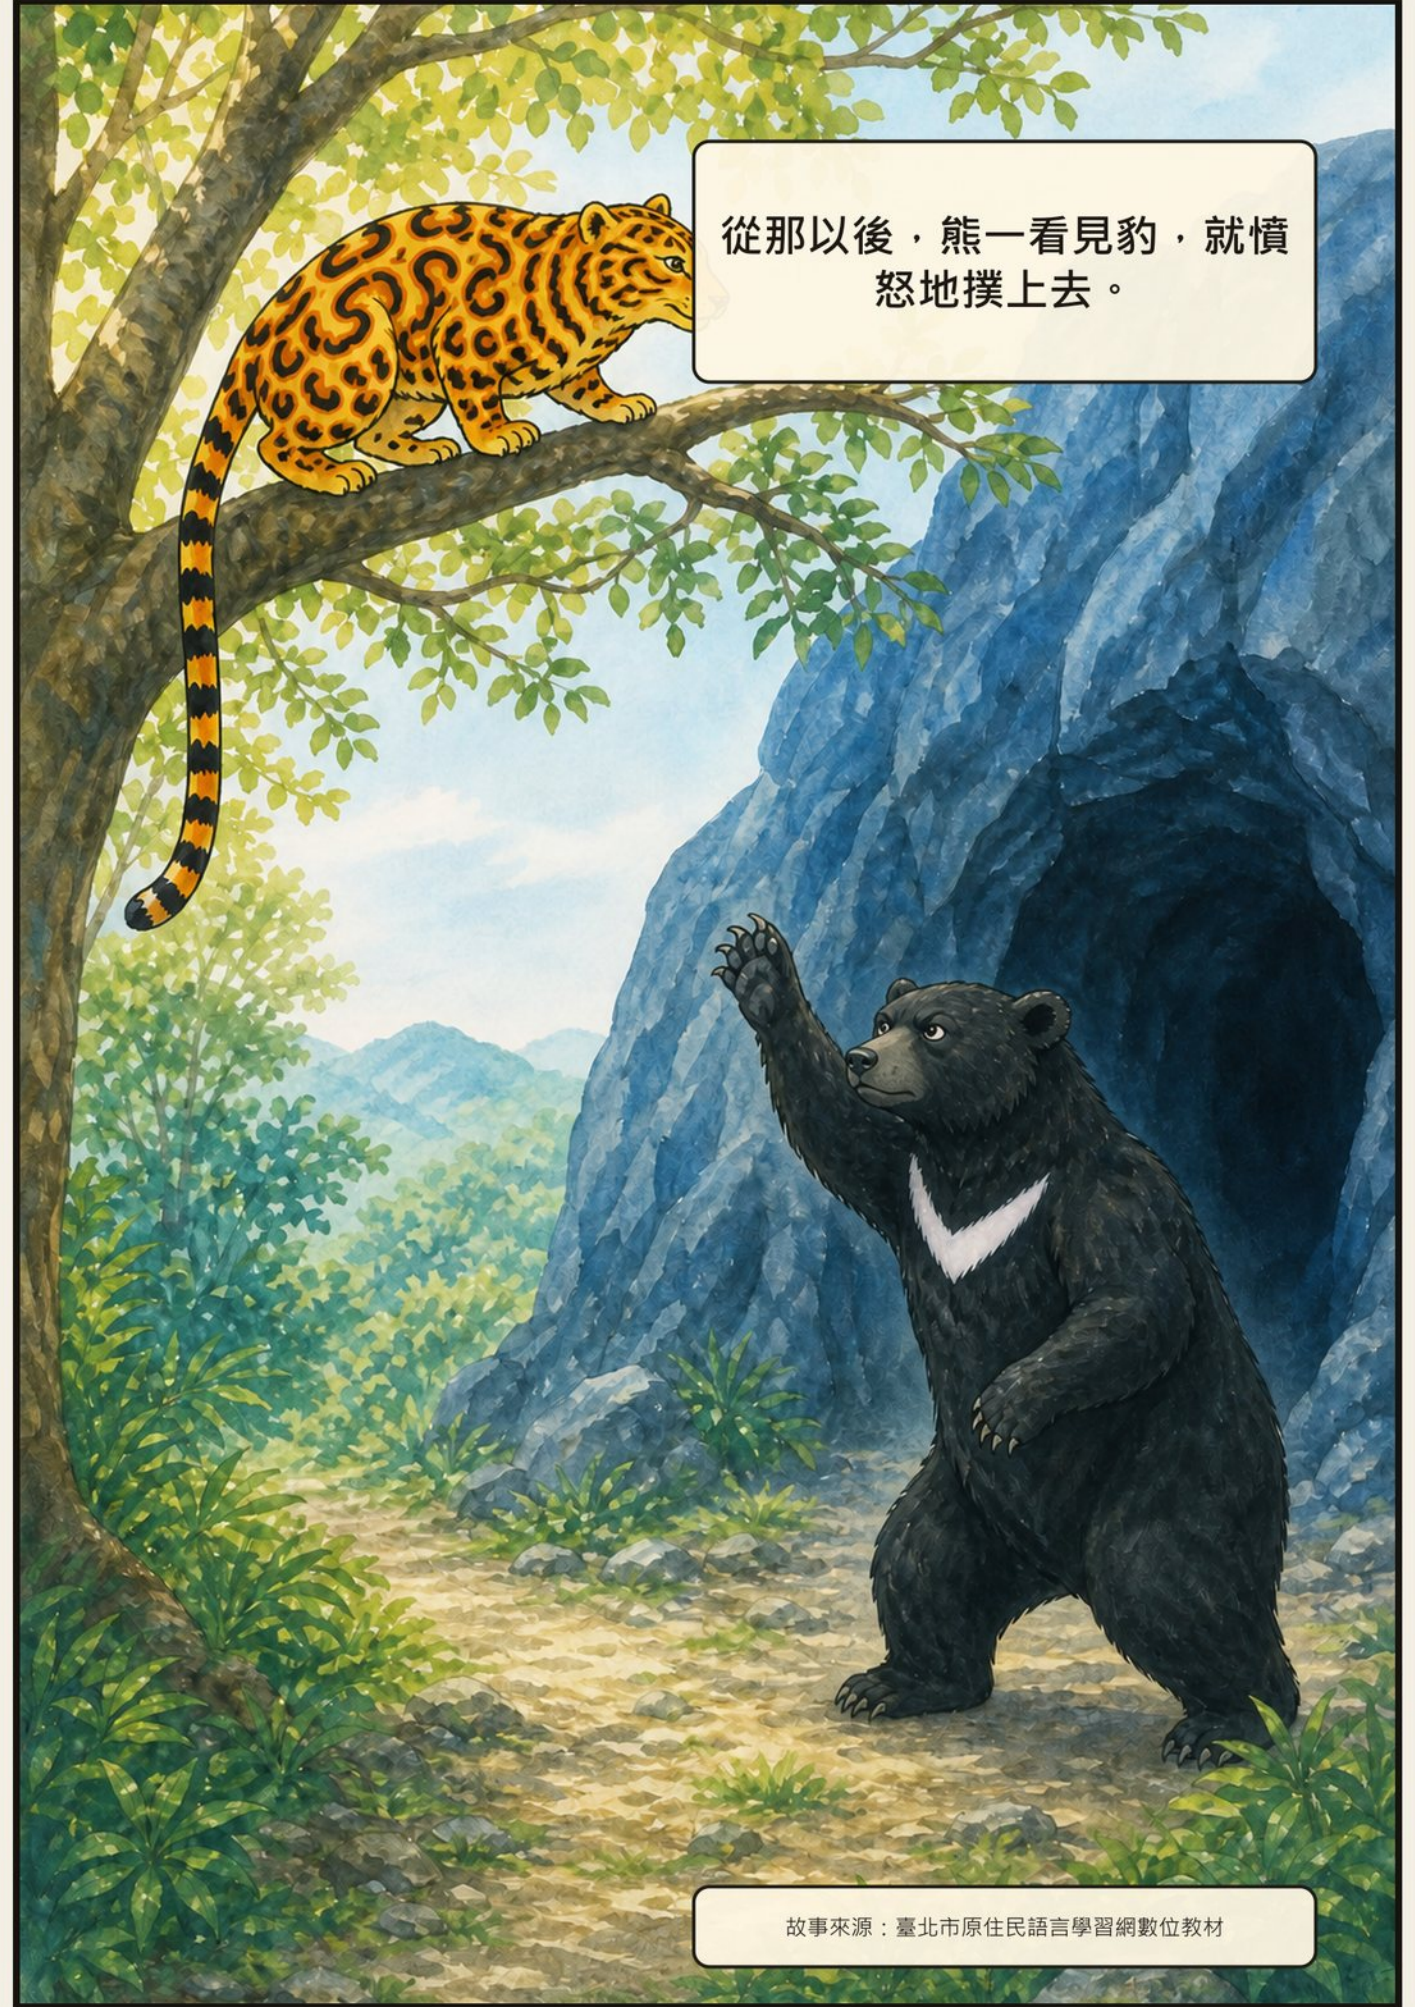

熊全身變黑，只剩喉部一彎白月。

An illustration of a tiger with orange fur and black stripes and spots, perched on a thick tree branch. The tiger is looking down towards a black bear standing on the ground. The bear has a white patch on its chest and is reaching up with its right paw. The background features a rocky mountain with a cave entrance, green foliage, and a blue sky.

從那以後，熊一看見豹，就憤怒地撲上去。
