孩子變成鳥

父親去打獵，母親帶著兩個孩子去挖地瓜。

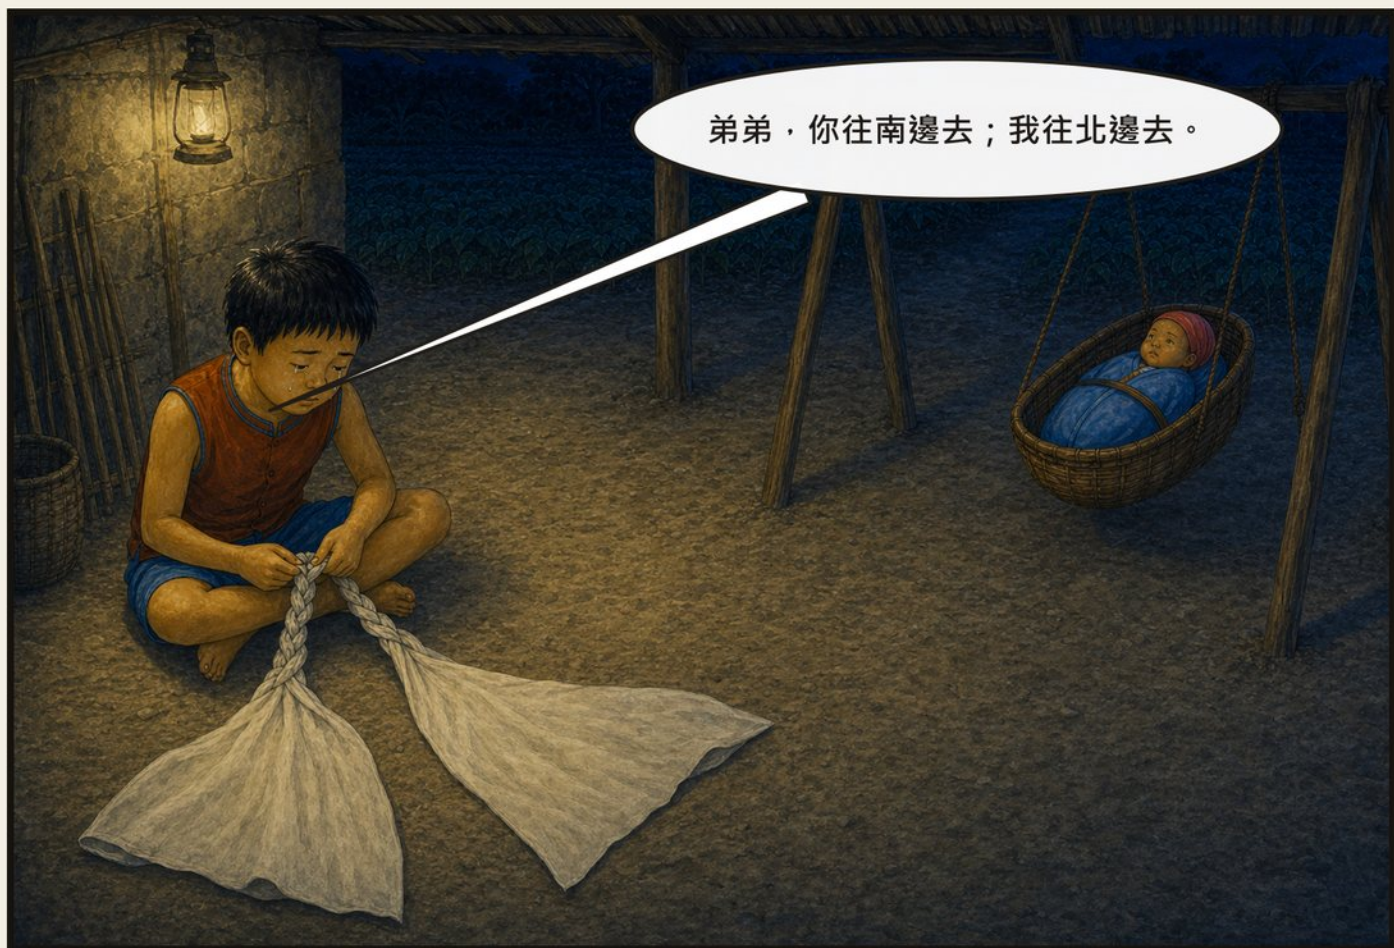

她頭也不回地，自己回家去了。

The illustration shows a young boy in a red vest and blue shorts holding a crying baby wrapped in a blue cloth. They are standing on a wooden bench in front of a stone house. A woman in a purple dress, carrying a basket, is walking away on a dirt path towards a sunset. The scene is set in a rural area with hills and plants in the background.

她真的沒有回來.....把我們留在這裡了。

The illustration shows the same young boy sitting on the ground next to a baby who is lying in a swing. The scene is set at night, with a dark sky and a path leading into the distance. A small lantern is hanging from the structure above the swing. The boy looks sad and is looking towards the path.

父親盛怒，把一鍋滾燙的熱水
潑向妻子。

水霧散去，她化成老鼠，
吱吱叫著跑進黑暗。

吱、吱、
吱、吱...

...

可是，盛怒沒有讓孩子回來，只讓一
家人從此分散。
